

St Andrew's guidelines for donations 2017

As a charity, we are not allowed to set fixed charges. The following are guidelines to help you consider how much you are able to contribute. We are very grateful for your donations which help towards covering the costs of our ministry. If you are able to offer more, this will help to defray the costs of those unable to offer as much.

If you are a tax payer, you can gift aid your donation to St Andrew's. It will be increased by 25%.

Please note that bookings are provisional and only confirmed once we have received your completed booking form together with a 1/3rd non-refundable deposit, which is part of your final donation.

Please make your cheque payable to the "Sisters of St. Andrew"

Thank you for your donation.
